

2016 General Compliance Education and Attestation

The Corporate Integrity Agreement between King's Daughters Medical Center and the office of Inspector General requires our clinical students/faculty participate in our general compliance training. You can access the general compliance training at the link below. Please review the YouTube video, the Code of Conduct, and the compliance program policies. When completed, print the **Code of Conduct Attestation**, complete the blanks, check the boxes, sign it, and return it to me. You may either e-mail the completed/signed Attestation, fax to 606-408-6507, or place it in the mail. If you have any questions, please call me at 606-408-0108.

The link will take you to this page. I have circled the three required training pieces in the quick links.

The screenshot displays the website for King's Daughters Medical Center. At the top, the logo reads "KING'S DAUGHTERS MEDICAL CENTER" and "MyKDMC Your health, all in one place" with "Sign In" and "Sign Up" buttons. A navigation bar includes "Care for You", "Centers of Excellence", "Amenities", and "About Us", along with a search bar. Below this is a "Connect With Us" section with icons for "Find a provider", "Locations & directions", "Get screened", "Visit MyChart®", and "Pay your bill". The breadcrumb trail shows "Home" and "Legal Services". The main content area features a "Compliance Concern Form" and a large graphic with the text "Compliance & Integrity everyone's responsibility". Below this is the "Compliance & Integrity Department" section, which includes a paragraph about the Corporate Compliance Program and another paragraph about the responsibility of employees. On the right side, there is a sidebar menu titled "GENERAL COMPLIANCE TRAINING" with three items circled in red: "Code of Conduct Certification and General Attestation Form", "Code of Conduct", and "General Compliance Training". Below this menu is another section titled "ARRANGEMENTS COMPLIANCE TRAINING".
